MAELEZO MUHIMU KUHUSU New York " KUFUNGUA UPYA"

COVID-19 BADO NI UGONJWA HATARI

ONYESHA HESHIMA Vaa Barakoa.

Kama Jimbo la New York linafungua tena kwa biashara, vizuizi bado ziko:

- Vaa barakoa katika nafasi za umma
- Endelea kukaa nyumbani iwezekanavyo
- Endelea kuepuka mawasiliano ya karibu na watu walio nje ya nyumba yako
 - Hakuna vikundi vikubwa (Hakuna sherehe, hakuna mikusanyiko ya ibada za kidini kibinafsi, hakuna mikusanyiko ya jamii, Hakuna mpira wa kikapu, mpira wa miguu, au michezo mingine ya timu)
- Osha mikono yako mara nyingi na sabuni
- Hakuna safari isiyo ya lazima nje ya mkoa wetu

UNAJUKUMU MUHIMU KUSAIDIA KULINDA JAMII

Ikiwa hautafuata sheria hizi hauwaheshimu wafanyikazi wa huduma ya afya "wafanyikazi wa mstari wa mbele" na wafanyikazi wengine wa dharura.

Hii ni jukumu letu la kijamii. Ikiwa tutafanya kile tunahitaji sasa tunaweza kuzuia virusi vya COVID-19 kurudi tena.

IMPORTANT INFORMATION ABOUT NEW YORK “RE-OPENING”

COVID-19 IS STILL A SERIOUS ILLNESS

SHOW RESPECT. WEAR A MASK.

As New York State reopens for businesses, restrictions are still in place:

- Wear a mask in public spaces
- Continue to stay home as much as possible
- Continue to avoid close contact with people outside your home
 - No large groups (No parties, no-in person religious services, no community gatherings, basketball, soccer, or other team sports)
- Continue to wash your hands often with soap and water
- No unnecessary travel outside of our region

YOU HAVE AN IMPORTANT RESPONSIBILITY TO HELP PROTECT THE COMMUNITY.

If you do not follow these rules you are disrespecting “frontline” healthcare workers and other emergency workers.

This is our social responsibility. If we do what we need to now we can stop the COVID-19 virus from coming back.

**Remember: We’re in this together. Stay Home.
Stop The Spread. Save Lives.**
