In Partnership with NYS Department of Conservation

NYS (New York State) Department of Environmental Conservation (DEC) offers various motor vehicle inspections and services to residents and visitors of New York State. These services include vehicle inspections, driver's license renewals, and other transportation-related services.

To learn more about these services, visit the DEC website at www.dec.ny.gov.

For more information, contact the DEC customer service number at 1-866-692-3227.
