

Office for  
New Americans

## IMPORTANT INFORMATION ABOUT NEW YORK “RE-OPENING”

COVID-19 IS STILL A SERIOUS ILLNESS

SHOW RESPECT. WEAR A MASK.

As New York State reopens for businesses, restrictions are still in place:

- Wear a mask in public spaces
- Continue to stay home as much as possible
- Continue to avoid close contact with people outside your home
  - No large groups (No parties, no-in person religious services, no community gatherings, basketball, soccer, or other team sports)
- Continue to wash your hands often with soap and water
- No unnecessary travel outside of our region

**YOU HAVE AN IMPORTANT RESPONSIBILITY TO HELP PROTECT THE COMMUNITY.**

If you do not follow these rules you are disrespecting “frontline” healthcare workers and other emergency workers.

This is our social responsibility. If we do what we need to now we can stop the COVID-19 virus from coming back.

**Remember: We’re in this together. Stay Home.  
Stop The Spread. Save Lives.**
